PROFILE

I am a front-end developer proficient in HTML, CSS, JavaScript, React.js, Bootstrap, and Next.js. With these skills, I am capable of creating attractive and user-friendly interfaces for websites and web applications. My goal is to deliver an exceptional user experience by leveraging the latest technologies and following best development practices.

ADDITIONAL INFORMATION

- **Passionate about UI/UX and front-end performance**
- **Continuously learning and experimenting with new web technologies**
- **Available for internships or junior developer positions**
